

AIG Elective Learning Log: Use this log to track your weekly progress in each of your four classes. Miss Solesbee will conference with you each week to help you always do your very best in each class. Be sure you complete each part of the log - this is a weekly grade in AIG Elective.

Subject Area	Rate your performance this week! Remember, a "1" means things are NOT going well - your work, your behavior, your relationships with others. A "5" means things are GREAT - you are being appropriately challenged, working hard, and working well with others.	Explain your rating in a complete sentence. Why did you choose the rating? What evidence supports your choice? Be specific here so that Miss Solesbee can help support you.	Create 1 goal for this week using SMART language. S: specific M: measureable A: attainable R: relevant T: time bound	Outline at least 3 steps to achieve that goal. Your third step should clearly state how you'll know when you've achieved your goal.
